Respected Sir,

SUB: Review of feedback from Faculty, Alumni, Employer and Students about curriculum for the 2019 Regulation Reg-

As per the feedback received from various stake holders like faculty, Alumni, Employer and students, the following members gave suggestions on curriculum topics may be included in the Present Regulation.

- The topic of ECG in human anatomy and physiology of I<sup>ST</sup> Year Pharm. D Students may seems as non-obligatory.
- Lab to be included to bridge the gap of theoretical and practical aspects for B. Pharm III Years in Biopharmaceutics and pharmacokinetics.

We kindly request that you look into this so that it can be added to the next regulation.

Thanking you,
