ANNUAL E- GOVERNANCE REPORT FOR THE A.Y.2019-2020

The Principal of Narayana Pharmacy of College is pleased to present the following Annual e-Governance report for the Academic Year 2019-20

The Institution has introduced e- Governance in the following areas of operation:

1. Administration
2. Finance and Accounts
3. Student admission and support
4. Examination

The details of the above are as follows:

Implementation of e- Governance in the administration of the college website

- a) The college website serves as a venue for information and announcements pertaining to students and administration from time to time. The website is updated frequently with information about conferences, workshops, placements, and committee information, including grievance and student welfare. The college website provides academic calendars, exam schedules, results for exams and semesters, and other relevant information holidays.
- b) Information is provided on a number of topics, including teachers, student enrollment, programs, exam results, infrastructure, and education financing. Institution density, gross enrollment ratio, student-teacher ratio, and gender priority index per student are examples of indicators of educational growth.
- c) Information pertaining to administration is available in **Inventory Management System** which is under narayana group

Implementation of e- Governance in Finance and Accounts

Information about payments and receipts is found on **STUDENT INFORMATION SYSTEM software under narayana group**. The knowledgeable auditors check the relevant data.

Email: principal.npc@narayanagroup.com Visit us:www.narayanapharmacycollege.com

Implementation of e- Governance in student Admission and Support

- a) Student admission details, such as the year of admission, the branch, the registration number, and the admission category, are posted.
- b) The students' academic information is submitted to our college's **automated system, software name**. All information pertaining to their attendance and grades from both internal and external tests is published so that the parents of their kids can be notified. The **ERP** for Educational Institutions offers **SMS provision**. For better and more effective e-Government, the college has purchased and made available.
- c) The Library activity is under **library information systems**

Implementation of e- Governance in Examination

The information related to internal examination- like the timetables posted on the college **website**. The internal marks are uploaded to the **JNTUA EMS**. The external practical examination timetable is posted on the **STUDENT INFORMATION SYSTEM** and both the external and internal marks are uploaded to the **University portal (JNTUA EMS)** . The results are given in the University portal which is displayed for **students on the college website**.
