Report on Seminar

Program Report	
Title of the Seminar	Intellectual Property in the Digital Age: Challenges and Opportunities
Date	24-09-2021
Resource Person	Dr. Saran Kumar, Pharm.D, Associate Professor, Dept of Pharmacy Practice, Jagan's College of Pharmacy, A.P, India.
Organized by	IPR Cell, Narayana Pharmacy College
Overview of Program	On September 24, 2021, a seminar on "Intellectual Property in the Digital Age: Challenges and Opportunities" was addressed by Dr. Saran Kumar. The seminar aimed to elucidate the complexities of intellectual property (IP) in the rapidly evolving digital landscape. Inauguration for the seminar was done by Dr. K. Harinadha Baba, Principal, Narayana Pharmacy College, and Nellore.
Key Points	<ul style="list-style-type: none">○ Dr. Saran Kumar commenced the seminar by providing a comprehensive overview of intellectual property, encompassing its various forms such as patents, trademarks, copyrights, and trade secrets.○ He emphasized the significance of IP in driving innovation and economic growth.○ The core focus of the seminar shifted to the challenges posed by the digital age to intellectual property protection.○ Dr. Kumar delved into issues such as copyright infringement through online piracy, patent trolls, and the difficulty in protecting trade secrets in a digital environment.○ He highlighted the ease with which digital content can be replicated and distributed, making it challenging to enforce IP rights.○ Dr. Kumar discussed the potential of digital platforms to facilitate IP licensing and commercialization.
Feed Back	Overall, the seminar was informative and beneficial, providing students with a better understanding of the challenges and opportunities associated with intellectual property in the digital age.

Report on seminar

Program Report	
Title of the Seminar	Enforcing IP Rights: Legal Remedies and Enforcement Strategies
Date	31-03-2022
Resource Person	Mrs. P. K. Devibala, Associate Professor, Dept of Pharmaceutics, Gokula Krishna College of Pharmacy, Nellore
Organized by	IPR Cell, Narayana Pharmacy College
Over view of Program	<p>The seminar commenced by emphasizing the increasing prevalence of IP infringement in the digital age. The rapid pace of technological advancement has made it easier for infringers to copy and distribute protected works without authorization. The speaker highlighted the economic losses incurred by IP owners due to infringement and the impact on global competitiveness.</p> <p>The seminar also explored alternative dispute resolution (ADR) mechanisms, such as mediation and arbitration, as effective means of resolving IP disputes. The advantages of ADR, including cost-efficiency and confidentiality, were highlighted.</p>

Report on Workshop

Program Report	
Title of the Workshop	Recent Advances in Pharmaceutical Research
Date	18-04-2022
Resource Person	Mr. Mahendra Reddy Challa, Assistant Professor, Dept of Pharmacology, Ratnam Institute of Pharmacy, Nellore.
Organized by	R & D Cell, Narayana Pharmacy College
Over view of Program	The speaker discussed the role of genomics in tailoring drug therapy to individual patients. The potential benefits and challenges of personalized medicine were highlighted. The session explored advancements in drug delivery technologies, including nanotechnology, targeted drug delivery, and controlled release formulations. The focus was on improving drug efficacy and reducing side effects.
Key Points	<ul style="list-style-type: none">▪ The importance of a strong foundation in basic and clinical sciences for successful pharmaceutical research.▪ The potential of technology to revolutionize drug discovery and development.▪ The need for a patient-centered approach to drug therapy.▪ The growing complexity of drug development and the importance of interdisciplinary collaboration.
Outcomes	From this seminar, students were able to expand their knowledge base, develop critical thinking skills, and the impact of pharmacy on human health.
