## **Report:**

The Seminar was held on March 7, 2023, from 9.30 a.m. to 12.15 p.m. in the Seminar Hall at NPC. The seminar's goal was to raise awareness among students about the importance of statistical analysis in research. The principal of NPC, Nellore, Prof. Dr. K. Harinadha Baba, began the program. B. Pharmacy 3rd year students took part in the event. P. Sree Mahalakshmi, Assistant Professor, Department of Pharmacology, introduced the resource person to those present. P. Vaishnavi, a student in the third year of B. Pharmacy, introduced the resource person.

The resource person next addressed the students' concerns about the challenges of using statistical analysis in research. He also explains the various sorts of statistical models, such as regression analysis. The presenter also provides instances of application of Multivariate analysis in Research. The program ended with the discussion of questions with the students followed by Vote of Thanks.

### **Report:**

The Seminar was organized on 18-11-2023 at 10.00 am – 12.00 pm in Seminar Hall, NPC. The purpose of the seminar was to educate the students regarding the Insilco techniques in Experimental Pharmacology. The program was inaugurated by the vice-principal Prof. Dr. S. Sujatha, NPC, Nellore. B. Pharmacy final year students had participated in the event. P. Sree Mahalakshmi, Assistant Professor, Dept of Pharmacology, introduced the resource person to the students. Resource person introduction was given by the B. Pharmacy final year student Sk. Moheeth.

The resource person starts the session about the basics of Molecular docking and its importance in drug discovery and development. He also enlightens Application of Docking Techniques in Understanding Protein Structures. He also added a note on Success Stories of Molecular Docking in Drug Discovery. The program ended with an interactive session followed by Vote of Thanks.

### **Report:**

The Seminar was organized on 27-05-2024 from 9.30 am – 5.00 pm in Seminar Hall, NPC. The purpose of the seminar was to educate the students in the field of Research Methodology including analysis of the data by applying various statistics. The program was inaugurated by Dr. M. Suchitra, Dept of Pharmaceutical Chemistry, NPC, and Nellore. B. Pharmacy 3<sup>rd</sup> year students had participated in the event. A. Sai Saranya, Associate Professor, Dept of Pharmaceutical Analysis, introduced the resource person to the students. Resource person introduction was given by the B. Pharm 3<sup>rd</sup> year student P. Hymavathi.

The resource person starts the session about the critical role of statistics in drawing valid conclusions from data. It also highlighted how statistical methods enhance the rigor and reliability of research findings. The fundamentals of descriptive statistics were covered, including measures of central tendency (mean, median, and mode) and dispersion (range, variance, standard deviation). The program ended with a Q&A session followed by Vote of Thanks.
