Report:

The rally commenced at 10.00 am from the main streets of Peyyalapalem. Approximately 26 NSS volunteers, along with students from various departments, participated enthusiastically in the event. Placards and banners carrying messages about sunstroke prevention were displayed prominently. The volunteers raised slogans and distributed pamphlets containing essential information about sunstroke.

Impact and Outcomes

The rally garnered significant attention from the public, with people of all age groups stopping to read the posters and listen to the messages. The event proved to be highly effective in creating awareness about sunstroke. Several students expressed their gratitude for the information provided and pledged to adopt preventive measures. The rally also served as a platform for interaction between NSS volunteers and the community. Many residents appreciated the efforts of the NSS unit in organizing such a socially relevant program.

Report:

The alarming rate of road accidents, particularly involving two-wheeler riders, underscores the critical importance of helmet safety. To sensitize the public about this issue and promote helmet usage, the NSS unit of Chinthareddypalem organized an awareness rally on July 15, 2019. The rally garnered significant attention from the public, with people of all age groups stopping to read the posters and listen to the messages. The event proved to be highly effective in creating awareness about helmet safety. Several two-wheeler riders expressed their commitment to wearing helmets regularly. The rally also sparked discussions about the need for stricter enforcement of helmet laws.

The NSS volunteers interacted with the public, clarifying doubts and answering questions about helmet safety. This interaction helped in building a rapport with the community and fostering a sense of responsibility among the students towards road safety.

Report:

The NSS unit of Narayana Pharmacy College organized a rally on energy conservation on 05-08-2019 to create awareness about the judicious use of energy resources. The rally aimed to educate the public about the depleting energy reserves, the adverse effects of energy wastage, and the significance of adopting energy-efficient practices. The event started from the college grounds and traversed the main streets of Dhanalakshmiapuram. The event proved to be highly effective in creating awareness about energy conservation.

Several participants expressed their commitment to adopting energy-saving habits in their daily lives. The NSS volunteers interacted with the public, clarifying doubts and answering questions about energy conservation. This interaction fostered a sense of responsibility among the students towards environmental protection. The rally was a resounding success in achieving its objectives. It not only raised awareness about a crucial environmental issue but also inspired behavioral change among the public. The NSS unit of Dhanalakshmiapuram plans to organize similar awareness campaigns in the future to address other environmental concerns.

Report:

The NSS Unit of NPC Campus organized an Elocution Competition on August 12, 2019, to commemorate International Youth Day with the theme "Safe Spaces for Youth." The event aimed to provide a platform for students to articulate their views on the importance of safe spaces for youth development and to foster critical thinking and public speaking skills. A significant number of students participated in the competition, showcasing their oratory prowess and presenting compelling speeches on various aspects of the theme. The competition witnessed a diverse range of perspectives, from personal experiences to societal challenges and solutions. \

The competition not only highlighted the challenges faced by young people but also inspired discussions on potential solutions. The winners were awarded prizes and certificates, recognizing their exceptional performance. The NSS Unit believes that such platforms are crucial for empowering youth and fostering a sense of responsibility towards creating a safer environment for everyone. The competition served as a catalyst for stimulating intellectual discourse and promoting a culture of critical thinking among the students. It was an enriching experience for all participants and attendees, leaving a lasting impact on the campus community.

Report:

The NSS unit of Narayana Pharmacy College Conducted National Nutrition Week on September 6th, 2019, with the aim of creating awareness about the significance of balanced nutrition for overall well-being. Various activities were organized to educate the community about the importance of a healthy diet and its impact on physical and mental health.

The week commenced with a nutrition awareness rally, where NSS volunteers marched through the locality, distributing pamphlets and educating people about the benefits of consuming nutritious food. Interactive sessions were conducted in schools and community centers, emphasizing the importance of including fruits, vegetables, and whole grains in the daily diet. A special focus was given to addressing malnutrition among children. The NSS volunteers conducted a nutritional assessment of children in the area and provided counseling to parents on improving their children's diet.

Additionally, cooking demonstrations were organized to showcase healthy and nutritious recipes that can be easily prepared at home. The National Nutrition Week celebrations at Mikkilimpet proved to be a successful endeavor in creating a positive impact on the community's nutritional knowledge and practices. The NSS unit plans to continue its efforts in promoting healthy eating habits and addressing malnutrition in the future.

Report:

“Our health is our greatest treasure”. Taking care of one’s health is of utmost importance for everyone. But in our daily life, we look for excuses to not to visit our doctor. Be it for saving money or for other under the pretext that I am too young and healthy to go to a doctor or I don’t have time today; may be next week, I’ll get an appointment, and hence we keep on ignoring or neglecting our health. We do not understand a simple fact that performing regular health check – ups from young age can actually save preventing many diseases.

Saving some bucks today by ignoring periodic check-ups, we increase the risk of occurrence of several health issues at a later date. In order to bring awareness on regular health check-ups, to improve the quality of life and for enjoying good health throughout one’s life; under the guidance of Principal, Narayana Pharmacy College, Nellore, in association with Narayana Medical College, Nellore had organized a “Free Health Check-up Camp” at Gandavaram Village on 12-10-2019. The enthusiastic NSS Team, Faculty members including respected Principal, students have participated in health check-up camp.

Program Report:

A Blood donation camp was organized by our NSS unit, in collaboration with Narayana Medical College, Nellore through which more than 50 units of blood was donated by both students and the staff members of our Narayana Pharmacy college. It is a way of Narayana Pharmacy College; Nellore gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. Our College has been regularly organizes blood donation camps every year and students and the faculty members come forward voluntarily to donate blood.

While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it. In this event, Principal Dr. K. Harinadha Baba, NSS Programme Officer Mr. A. Avinash, faculty members along with students were present as decent audience.

Report:

The NSS unit of Narayana Pharmacy College, Nellore, undertook a humanitarian initiative on November 20, 2019, by donating rice bags to Janani Care Home. Recognizing the challenges faced by elderly residents in meeting their basic nutritional needs, the NSS volunteers organized a rice collection drive among students, faculty, and the local community. The generous contributions enabled the unit to procure a substantial quantity of rice, which was subsequently handed over to the care home. This act of kindness not only addressed the immediate food requirements of the elderly residents but also fostered a sense of compassion and empathy among the volunteers and the community.

The event was marked by a sense of fulfillment as the NSS unit was able to make a tangible difference in the lives of those in need. Beyond fulfilling the basic need for sustenance, the initiative aimed to uplift the morale of the elderly residents by demonstrating the community's care and support. The NSS unit believes that such acts of service are instrumental in building a compassionate society and inspiring others to contribute towards the well-being of the marginalized. The experience served as a valuable learning opportunity for the volunteers, instilling in them a deep sense of social responsibility and the importance of giving back to the community.

Report:

The NSS unit of Narayana Pharmacy College, Nellore, organized an awareness rally on December 1, 2019, to create awareness on World AIDS Day. The event aimed to dispel myths, reduce stigma, and promote HIV/AIDS prevention and care. The rally commenced at 10.00 am from Aatmakur Bus stand to VRC Nellore, attracting significant public attention. Approximately 100 NSS volunteers participated enthusiastically, carrying placards and banners with messages highlighting the importance of HIV testing, safe sexual practices, and support for people living with HIV.

The volunteers interacted with the public, distributing pamphlets and answering queries about HIV/AIDS. The rally successfully created awareness about the disease, emphasizing the need for empathy, understanding, and support for those affected. The event also highlighted the importance of early detection and treatment in managing HIV/AIDS. The NSS unit believes that such initiatives play a crucial role in combating the epidemic and fostering a stigma-free society.

Report:

The NSS unit of Narayana Pharmacy College organized a diabetes screening camp on January 25, 2020, with the primary objective of early detection and prevention of diabetes. The camp aimed to create awareness about the rising prevalence of diabetes and its associated health risks. The camp witnessed a significant turn out of people from various age groups. Blood sugar tests were conducted for all participants, followed by counseling sessions for those with abnormal readings. The camp also included informative talks on diabetes prevention, management, and the importance of a healthy lifestyle. The NSS volunteers played a crucial role in organizing the camp, registering participants, and assisting the medical team. Their dedication and enthusiasm contributed to the smooth functioning of the event. The camp proved to be a successful initiative in identifying individuals at risk of diabetes and providing them with necessary guidance. The NSS unit plans to conduct similar health awareness programs in the future to address other health concerns in the community.

Report:

The NSS unit of Narayana Pharmacy College, Nellore, organized a Walkathon for Healthy India on February 15, 2020, with the primary objective of promoting physical activity and creating awareness about the importance of a healthy lifestyle. The event aimed to encourage the community to adopt walking as a regular exercise and to reduce the prevalence of lifestyle diseases. The walkathon commenced at 10.00 am from the college campus. Approximately students, faculty members, and local residents participated enthusiastically in the event. The participants carried banners and placards with messages promoting the benefits of walking and a healthy lifestyle.

The walkathon garnered significant attention from the public, with many people joining the event spontaneously. The event served as a platform to educate the community about the link between physical activity and overall well-being. The NSS volunteers distributed pamphlets containing information on the benefits of walking, diet, and exercise.

Beyond the physical benefits, the walkathon also fostered a sense of community and camaraderie among the participants. It was an opportunity for people from different walks of life to come together for a common cause. The NSS unit believes that such events are crucial in promoting a healthy and active lifestyle among the community.

Report:

NSS unit of Narayana Pharmacy College, Nellore has organized a program titled "Food Distribution" in the old age home on 14-03-2020. A group of staff members and students from our institution went to old age home for distributing food to the aged people. Nearly 30 old age people are staying in the old age home. Some of inmates of the old age home are left by their children to get rid of their responsibility. We have made our humble contribution to bring some amount of comfort to the senior citizens left mercilessly without any care or compassion.
