Program Report:

The National Service Scheme (NSS) Unit, in collaboration with Gandavaram Gram Panchayath conducted a Village Empowerment Camp at Gandavaram on 02-08-2021. The camp focused on improving the community's well-being by promoting education, health, and hygiene. The camp was started by the Principal Dr. K. Harinadha Baba at the gram panchayath office about the importance of education especially girl child education. The vice principal Dr. S. Sujatha motivated the villagers about the importance of women health in the family, as this is important for the financial maintenance of the family. The NSS Co Ordinator Mr. A. Avinash created awareness about the safe hygienic practices in the household environment. The NSS Volunteer created awareness about the safe hygienic practices for women and distributed sanitary napkins, Hand wash and fruits. Total 26 students and 8 faculty participated in the activity.

Program Report:

Narayana Pharmacy College, with help from the National Service Scheme (NSS) Unit, organized a Mouth Examination Camp at Gandavaram on August 8th, 2021. The aim was to raise awareness about oral health and provide free dental care to the local community. The camp was led by Principal Dr. K. Harinadha Baba and Vice Principal Dr. S. Sujatha. A team of dental experts and students carried out mouth check-ups, looking for problems like cavities, gum disease, and oral cancer. They also taught people about proper brushing techniques, the importance of regular dental visits, and how diet affects oral health. Attendees received free oral care kits with toothbrushes, toothpaste, and mouthwash. Those who needed more treatment were sent to nearby dental clinics for follow-up care. The Mouth Examination Camp at Gandavaram was a big success, providing important dental services and educating the community about oral health. Narayana Pharmacy College, through its NSS Unit, remains committed to helping the public and improving health in the community.

Program Report:

The National Service Scheme (NSS), in collaboration with Mikkilimpet Gram Panchayath, organized a plantation drive at Mikkilimpeta on 24-09-2021. The event aimed to involve young volunteers in tree planting to improve green spaces and air quality. The program was initiated by Principal Dr. K. Harinatha Baba and Vice Principal Dr. S. Sujatha. They educated participants about the benefits of trees for the environment. And their leadership inspired the volunteers regarding the ecological benefits of increasing green cover, including creating habitats for wildlife. The NSS Coordinator, along with enthusiastic volunteers, successfully carried out the plantation drive, effectively encouraging a sense of responsibility towards preserving the environment. The event achieved its goals of enhancing green spaces, improving air quality, and promoting community engagement in environmental conservation.

Program Report:

The NSS Unit of Narayana Pharmacy College held an awareness camp at Gowtham Nagar on Medication Management and Dietary Considerations. The event aimed to teach the community about using medicines properly and how diet affects overall health. Dr. K. Harinatha Baba, Principal, and Dr. S. Sujatha, Vice Principal, explained how to take medicines correctly, including the right dosage and timing. They also talked about possible side effects and the importance of sticking to prescribed medication routines.

The NSS Coordinator and students discussed the role of diet in managing health and chronic conditions. It provided practical tips on choosing healthy foods and maintaining a balanced diet to improve the effects of medications. Students distributed some of the medications like vitamins and zinc tablets to the villagers. This event successfully helped the community better understand how to manage their health through proper medication use and good nutrition.

Program Report:

The National Service Scheme (NSS) Unit, in collaboration with Narayana Medical College and Hospital, conducted a blood donation camp at Chinthareddypalem held on 25-10-2021. The camp aimed to encourage the community to donate blood and raise awareness about its life-saving importance. The NSS team, along with healthcare professionals, educated participants about the critical role blood donation plays in saving lives. They highlighted the urgent need for donations to support local and national blood banks while ensuring that the collection process was safe and well-organized. The blood donation camp was a success, effectively promoting community participation and contributing significantly to the local blood supply. This initiative fulfilled the commitment of the NSS and Narayana Pharmacy College to public health and community welfare.

Program Report:

Narayana Pharmacy College, with support from the National Service Scheme (NSS) Unit, held a "General Checkup Camp" at Gandavaram on 14-11-2021. The camp aimed to teach the local community about the importance of regular health check-ups. Principal Dr. K. Harinadha Baba and Vice Principal Dr. S. Sujatha provided health assessments and personal medical advice. They highlighted the need for regular check-ups and preventive care. The camp also provided participants with healthcare services and gave out information on staying healthy. The NSS Coordinator Mr. A. Avinash and students successfully raised awareness about health management and was well-received. Narayana Pharmacy College is committed to organizing more health initiatives in the future.

Program Report:

Narayana Pharmacy College, with help from the National Service Scheme (NSS) Unit, held an awareness camp on “Safe Medicine Disposal” at Gowtham Nagar on November 25, 2021. The goal was to teach people about properly disposing of medical waste and how it affects health and the environment. Principal Dr. K. Harinadha Baba and Vice Principal Dr. S. Sujatha initiated the camp. They explained the right ways to handle medical waste and why it’s important. In this camp NSS Coordinator and students successfully raised awareness and encouraged people to dispose of medicines responsibly. Narayana Pharmacy College plans to continue organizing similar events in the future to improve public health and protect the environment.

Program Report:

Narayana Pharmacy College, with help from the National Service Scheme (NSS) Unit, organized an HIV/AIDS awareness rally in Grand Trunk Road, Nellore held on December 1st, 2021. The goal was to educate the local people about HIV/AIDS, including how to prevent it and the importance of regular testing. Principal Dr. K. Harinadha Baba and Vice Principal Dr. S. Sujatha led the rally. They explained what HIV/AIDS is, how it spreads, and how to avoid it. They also talked about the stigma and discrimination related to HIV/AIDS and provided useful materials on prevention and support. The rally was successful in raising awareness and giving valuable information to the community using placards and slogans by the students. Narayana Pharmacy College plans to continue these efforts to improve public health and awareness. 85 students and 15 faculty participated in the Rally.

Program Report:

Narayana Pharmacy College, with help from the National Service Scheme (NSS) Unit, organized an awareness camp on dengue fever at Mikkilimpeta held on 25-12-2021. The goal was to teach the local people about dengue, its symptoms, and how to prevent it. The camp was led by Principal Dr. K. Harinadha Baba and Vice Principal Dr. S. Sujatha. They explained the importance of stopping dengue and how everyone can help. Experts from the college used simple language and pictures to make it easy for the villagers to understand. The students showed ways to prevent mosquito bites, like using mosquito nets, repellents, and keeping areas free of stagnant water. They also handed out pamphlets with tips on how to stay safe from dengue. A free health check-up was held, and serious cases were sent to nearby hospitals for more care. The camp was super success, helping the local people learn how to protect themselves from dengue. Narayana Pharmacy College and the NSS Unit plan to organize more camps like this in other villages to improve public health.

Program Report:

Narayana Pharmacy College, through its National Service Scheme (NSS) Unit, organized a diabetes screening camp at Peyyalapalem on January 6, 2022. The goal was to raise awareness about diabetes and offer free health check-ups to the community. Principal Dr. K. Harinadha Baba and Vice Principal Dr. S. Sujatha led the camp, along with doctors, nurses, pharmacists, and NSS volunteers. Dr. K. Rajesh Kumar, a well-known diabetologist from Narayana Hospital, explained the growing number of diabetes cases. He stressed that people over 40 should have regular health check-ups, especially for diabetes, and that diabetic patients should monitor their sugar levels regularly. The doctor also gave advice on diet and medication. Nearly 50 people attended the camp and were tested for diabetes. The camp was a success, providing important health checks and education to the community. Narayana Pharmacy College, with its NSS Unit, is committed to organizing more health camps to help improve public health.

Program Report:

Narayana Pharmacy College, along with NSS Unit, organized a Child Labor Awareness Camp at Pemma Reddy Palem on January 12, 2022. The purpose of the camp was to inform the community about the problems of child labor and to stress the importance of protecting children's rights and helping them live better lives. The camp was led by Principal Dr. K. Harinadha Baba and Vice Principal Dr. S. Sujatha. During the event, experts explained why children should not be used for labor and how important it is for them to go to school. The community was encouraged to take action against child labor and create a safe and supportive environment for all children. The Child Labor Awareness Camp at Pemma Reddy Palem was successful in raising awareness about child labor and the need to protect children's rights. It helped educate the community on why every child should have the chance to attend school and grow up in a healthy environment.

Program Report:

Narayana Pharmacy College's National Service Scheme (NSS) Unit held an awareness campaign about the plastic ban at Baba Nagar on February 4, 2022. The aim was to inform people about how plastic harms the environment and to promote eco-friendly alternatives. Principal Dr. K. Harinadha Baba and Vice Principal Dr. S. Sujatha led the campaign. Eye-catching posters and banners were displayed in prominent locations to create awareness about the plastic ban. The community responded well, with many people interested in learning more. The campaign successfully raised awareness about the problems of plastic pollution and encouraged people to use environmentally friendly options. Narayana Pharmacy College and its NSS Unit are dedicated to continuing such efforts to protect the environment.

Program Report:

Narayana Pharmacy College organized a Swachh Bharat campaign at Gundlapalem on March 5, 2022. The goal of the campaign was to support the cleanliness drive and raise awareness about the importance of a clean environment. Principal Dr. K. Harinadha Baba and Vice Principal Dr. S. Sujatha led the initiative. NSS volunteers worked together to collect and dispose of waste from the streets of Gundlapalem. Pamphlets and posters promoting cleanliness and hygiene were also distributed to people. The Swachh Bharat campaign at Gundlapalem was successful in significantly reducing litter and creating a cleaner environment. The campaign effectively raised public awareness about maintaining cleanliness.

Program Report:

Narayana Pharmacy College's National Service Scheme (NSS) Unit held a health check-up camp at Mikkilimpeta on April 23, 2022. The goal was to provide essential medical services to people in need. Principal Dr. K. Harinadha Baba and Vice Principal Dr. S. Sujatha led the camp. The event focused on promoting regular health check-ups and finding early signs of diseases like diabetes, high blood pressure, and heart problems. Many people from the community received free medical checks, and some were referred to Narayana General & Super Specialty Hospital for further treatment. The camp also helped educate people about the importance of preventive healthcare. The camp was successful, helping many people and raising awareness about the need for regular health check-ups and early disease detection.
