## LETTER OF APPRECIATION

We want to express our gratitude for your interest and for your precious time which you have taken out for initiative of a noble step and for the awareness of people with your "NARAYANA PHARMACY COLLEGE, NSS UNIT, NELLORE" on 25-10-2021. By making people realize of this valuable act, and being a part of humanity to get linked up with people who are not able to get themselves recovered.

Blood donation is the act of giving life. Your valuable time spent in donating **31 units** of blood is going to give life to someone in need. Your blood could save anyone from a little baby to an old individual. One cannot make blood, it is a gift we all have inside of us to give to those who are injured, sick, or in need. There's no doubt that the need is huge. However, the support of donors like you is helping us to make it possible to help the people in achieving a healthier, happier and fruitful-life.

In spite of the various reasons, for donating blood and encouraging others to do it, there are only few who actually do it. Thanks for being a part of this group. Your act of noble kindness of volunteering blood donation will serve as an inspiration to other people.
