Maintenance committee 2019-2020

About

This group is in charge of creating and carrying out plans for the efficient upkeep of the institute's facilities, including its infrastructure. The committee makes sure that the yearly standards for building and other maintenance are met. Another crucial step is determining and organizing the requirements for preventive maintenance.

Roles and responsibilities

- To create a strategy for promptly and effectively handling maintenance crises.
- Work with concerned personnel to schedule maintenance. Consistently assess the state of the campus building, grounds, utilities and other infrastructure to make sure it is adequate.
- To notify the appropriate authorities of any abnormalities in the facilities' and infrastructure's state
- To make sure the campus is orderly and tidy.
