A Report on Career Guidance Program on “Scope of B.Pharmacy and Pharm. D”

Total Number of Participants: 138

An Awareness program on scope of Pharmacy courses like B. Pharm and Pharm.D was conducted for B. Pharm and Pharm. D students on 10.10.2019. The principal of the college Dr. K. Harinadha Baba inaugurated the orientation session and has clearly given a vision about pharmacy courses to the budding pharmacists.

Bachelor of Pharmacy is a four-year full-time degree offered to expose the candidates to experiential as well as theoretical aspects of the manufacturing and distribution of medicinal drugs. The whole degree program is a blend of practical and classroom sessions, the conclusion of which will make students competent enough to work in the Pharmaceutical companies.

Career Opportunities after Bachelor of Pharmacy:

The conclusion of this program created awareness on B.Pharmacy and it enables students to work on the following job posts:

- Quality Control inspector
- Pharmaceutical marketing head
- Pharmacist
- Drug regulatory in charge
- Medical Underwriter
- wholesaler
- Professor
- Researcher
- Drug/Food inspector
- Overview of Doctorate of Pharmacy (Pharm. D)

The Doctorate of Pharmacy is also a professional degree that is of six-year duration. The first five years are dedicated to theoretical learning followed by the internship year. The primary difference between this degree and B.Pharmacy is that with a Pharm. D course, the students will be able to serve in the healthcare sector and work in close proximity with the patients. They can work as pharmacists in companies as well but they can also take up jobs in hospitals and healthcare centres. The students learnt various Career Opportunities after Pharm. D to work as Clinical Pharmacist, Analytical Chemist, Hospital Pharmacy Director, Hospital Staff Pharmacist, and Pharmacist in Charge, Drug Expert, Drug Interaction Specialist, and Nutritionist.

activity, followed by information regarding preparation of GPAT/ NIPER competitive examination and also the scope, advantages and requirement for further education. He familiarizes students more extensively with Understanding the concept of nationalized Graduate Pharmacy Aptitude Test (GPAT), Exploring opportunities from GPAT/ NIPER qualification.

Outcomes:

- Overview of the career guidance program objectives.
- Importance of GPAT, NIPER, and PGECET in pharmacy education and careers.
- Overview of NIPER institutes and courses.
- Admission process and career opportunities.

Preparation for GPAT/Niper examination and acquiring skills to qualify the exam and also to allow them to interact with examples of the practical problems that always occur during the Test. The program was further enlightened by the interesting questions answer session. The session was useful and informative to all student participants.

Student feedback:

Students appreciated the program for its focus on GPAT, NIPER for its academic rigor, research opportunities, and industry connections, and PGECET for its straightforwardness and relevance to state syllabi. Students felt that program was very much useful for them.

Program was wined with vote of Thanks by vice principal Dr.S.Sujata.
