Objective: Narayana Pharmacy college had successfully organized one week faculty Development program on Biostatistics- Pharmaceutical Sciences Nexus: The Need of the Hour” The main object of the program is to inculcate statistical application in data interpretation of pharmaceuticals related to the design, formulation, characterization and biological assays.

The programme started with inauguration function welcoming all the eminent speakers, dignitaries and delegates and launch of the sessions. Following the inaugural ceremony, the sessions started with the introduction of basic concepts of statistics and its significance along with fundamental concepts to the delegates by the speakers. The afternoon session was equally insightful for the delegates to further learn about basics.

The consecutive sessions were interesting for the delegates to procure hands-on experience of handling data using different software tools including MS- EXCEL, statistica and design expert. It was a great opportunity for the participants to interact with the speakers and resolve their questions. The sessions were successfully concluded with a valedictory ceremony followed by certificate distribution to all the participants.

Programme report

Name of the programme: A one week faculty development program on "Green chemistry-driving towards sustainable approach

Date: 22-11-21 to 27-11-21

Details of the resource person:

- ✓ **Name:** Dr.B V Krishna reddy
- ✓ **Designation:** Professor & Vice principal
- ✓ **Department:** Pharmacology
- ✓ **Organization name:** Raos college of pharmacy,Nellore.
- ✓ **Mail id:** krishnareddyvb@gmail.com
- ✓ **Contact :** 7989834767

Objective: Narayana Pharmacy college had successfully organized one week faculty Development program on "Green chemistry-driving towards sustainable approach . The main object of the program is to Examine the ways in which the use of green chemistry supports both economic and environmental sustainability.

Topics covered:

- Providing the information about Designing of chemical products
- Transferring the information about Minimize the chemical accidents and explosions
- Providing a information for application of chemical products

REPORT ON FACULTY DEVELOPMENT PROGRAMME

Faculty Development Program (FDP) was organized by Department of pharmacology, Narayana Pharmacy College, Nellore. The FDP was organized for one week i.e., July 11-16, 2022. About 60 faculty members actively participated and gained useful information from all the sessions.

Day 1: 11-07-2022(Monday)

The Faculty Development Program was inaugurated by **Dr. U.Subramanyam**, Narayana engineering college, and **Dr. K.Haranadha baba**, principal of Narayana Pharmacy College & Convener of the Programme, at 10.00am.

Session 1:

Dr. U.Subramanyam, from 10.00 AM – 1.00 PM, delivered an overview of statistics role in pharmacy and clinical sciences. The participants interacted with the resource person and clarified their doubts regarding the use of statistics in research work.

Session 2:

Mr. A.Avinash, Associate professor, Narayana Pharmacy College has taken this session from 2.30 – 4.30 PM, delivered a lecture on Research oriented statistics analysis and also explained big data analysis. The participants interacted with the resource person and discussed about implementation problems they are facing in their academic & research work.

Day 1: 12-07-2022(Tuesday)

Session 1:

Mr. Ramanarayana reddy, professor, Narayana engineering college has taken this session from 10.00 – 1.00 PM, delivered a lecture on different software used in multi Drug analysis. The participants interacted with the resource person and discussed about implementation problems they are facing in their academic & research work.
