7.	Ms.CL.Sindhura	Associate professor	Internal Member
8.	Ms.A.Sai Saranya	Associate professor	Internal Member

### **RESPONSIBILITIES**

- ❖ Plan and execute events related to the club's focus, such as workshops, seminars, or social gatherings. This might include guest speakers, hands-on activities, or themed parties.
- ❖ Develop and implement strategies to raise funds for the club's activities or for charitable causes, which could involve organizing events like bake sales, charity runs, or auctions.
- ❖ Engage with the broader community through outreach programs or collaborations with other student organizations, local businesses, or community groups.
- ❖ Offer educational opportunities related to the club's interests. For example, if the hobby is related to health and wellness, you might host sessions on stress management or nutrition.
- ❖ Handle the administrative tasks necessary to keep the club running smoothly, such as maintaining records, managing finances, and coordinating with the pharmacy college's administration.
- ❖ Recruit new members and keep existing ones engaged through regular meetings, communication, and by providing valuable and enjoyable experiences.
- ❖ Promote club activities and events through social media, flyers, and word of mouth to increase visibility and participation.
- ❖ Provide opportunities for members to develop new skills or enhance existing ones related to the club's interests, whether through hands-on projects, mentorship, or educational resources.
- ❖ Regularly seek feedback from members to assess the success of events and activities, and make improvements based on this input.
- ❖ Ensure that all activities comply with college regulations and safety standards, especially if they involve physical activities or external engagements.
